

Directive No. 99

**QUARTERLY FINANCIAL STATEMENTS –  
ALL DOMESTIC INSURERS**

February 25, 1991

Notice is hereby given to all domestic insurers authorized to transact insurance business within the State of Louisiana of the following requirement:

Unless specifically exempted in writing by the Chief Examiner of the Louisiana Department of Insurance, each insurer is to report its financial operating condition on a quarterly reporting form approved by the Chief Examiner. Each report shall be submitted to the Department of Insurance no later than forty-five (45) days following the end of each of the following calendar quarters

March 31  
June 30  
September 30.

Failure by an insurer to comply may result in the Commissioner of Insurance ordering the insurer to show cause why it should not be found to be in violation of La.R.S. 22:733(2) and subject to the consequences stated therein.
